## 1 GREENTRENDS' PROFILE

Greentrends is a leading provider of environmental consulting services in Mongolia. We are a diverse company, including individuals with expertise in science, research environmental solution and management. Our strength is in collectively providing integrated services—delivering the best solutions to meet our clients' special needs.

Greentrends was established to deliver environmental management and consultancy services in 2012. New management skills and highly developed employees were recruited as building complex and leading consultancy firm in Mongolia. New services were introduced as environmental impact assessment, hydrogeology, mining reclamation, compliance, outsourcing consultancy, legal advice, environmental baseline studies, scientific research works and mine design and closure planning etc.

### 1.1 Our Mission

To be the premier environmental consulting and management firm in Mongolia.

### 1.2 Our Core Principles

Our core principles form the underpinning of how we work together to serve our clients.

- **Service:** Greentrends puts its clients first. We listen better to understand our clients' needs and deliver smart, cost-effective solutions that meet those needs.
- **Value:** Greentrends takes on our clients' problems as if they were our own. We develop and implement real-world solutions that are cost-effective, efficient and practical.
- **Excellence:** Greentrends brings superior technical capability, disciplined project management,

and excellence in safety and quality to all of our work.

- **Opportunity:** Our people are our number one asset. Our workforce is diverse and includes leading experts in our fields. In addition, our entrepreneurial nature and commitment to success provide challenges and opportunities for all of our associates.

### 1.3 Our Purpose

Greentrends will enhance the quality of life while creating value for customers, associates, investors, and ecosystem partners.

### 1.4 Our Business Segments

- **Consulting Services:** We provide scientific, consulting, outsourcing, and project management services for water resources, water, watershed management, mining, environmental, and energy projects.
- **Technical Support Services:** We provide consulting and implementation services to support facilities management projects.
- **Research and Review Services:** We provide scientific research, evaluate, review and due diligence for financial institutions, and international banks.

## 2 OUR SERVICES

We deliver services that meet our partners' project reliability requirements, schedules and budget for all phases of the projects, from concept study through feasibility and design to operations.

**We offer following services:**

- Environmental outsourcing and consultancy
- Natural resources management
- Environmental management system and compliance\permitting
- Environmental & Social impact assessment

- CSR and community relations
- Bankable documentation support & due diligence
- Waste management
- Chemical management and risk assessment
- Environmental protection and monitoring program
- Site remediation and rehabilitation
- Aerial Imaging and processing
- Geographic Information System (GIS)
- Training for Environmental Professionals
- Technical translation

(Canada), e.Gen Consultants Ltd (Bangladesh), National University of Mongolia, Mongolian University of Science and Technology, Mongolian National University of Medical Sciences affiliated with School of Public Health, Mongolian Academy of Sciences and it's branch institutions, Wildlife Science and Conservation Center of Mongolia, Independent Research Institute of Mongolia and has collaborated with over 60 organizations, including international and national, state and non-private, private, business, banking and donor agencies.

## 2.1 Partnership cooperation

Greentrends LLC works closely with national and international specialized firms such as Wood PLC (UK), IRIS Consulting Pty (Singapore), EcoMetrix Inc (Canada), GeoCentric Environmental Inc (Canada), The Biodiversity Consultancy (UK), Environmental Property Service Pty (Australia), Shelly Environmental Services Pty (Australia), FinnOC (Finland), WSP Group Inc (Canada), The Ciera Group

## 3 COMPANY'S EXPERIENCE

Greentrends has been delivering projects tailored to our client's needs across Mongolia. We embrace science and integrate the appropriate technologies to produce results and help move your projects forward. We have delivered scientific research, environmental baseline studies, detailed environmental impact assessment, environmental consulting, and public consultations for over 150 projects as of now.

The following map presents our references to specific provinces and cities.

Figure 2. Location of projects implemented by Greentrends

Greentrends has strong cooperation with national and international governmental, non-governmental, private organizations in Mongolia. Including: Ministry of Environmental and Tourism, Ministry of Mining and Heavy industry, Oyu Tolgoi LLC, Tavan Tolgoi Power plant, Egiin Goliin Hydropower Plant Project Unit, Bayan Airag Exploration LLC, Peabody Energy Mongolia LLC, Genie Oil Shale LLC, Monpolymet LLC, Terra Energy LLC, South Gobi Sands LLC, Altan Dornod Mongolia LLC, Oyuny Undra Group, Delta construction LLC, Tavan Bogd Management LLC, NIK LLC, Mongolyn Alt LLC, Grand Power LLC, Orica Mongolia LLC, Major drilling Mongolia LLC, The Asia Foundation, World Bank, International Finance Corporation, Export Development Canada, GIZ, Asian Development Bank.

Figure 3. Clients and Partners

Table 1. The list of projects

No	DURATION	PROJECT NAME	NAME OF CLIENT & COUNTRY OF ASSIGNMENT
<b>INTERNATIONAL STANDARD PROJECTS</b>			
17	Aug/2021- Nov/2021	Additional Environmental and Social Study report for the mining project	Avalon Mining Corporation
16	Oct/2020- May/2021	Environmental Implications Report for Managed Aquifer Recharge pilot project, TA 9440-MON: Implementing Innovative Approaches for Improved Water Governance	ADB/ ICEM, Australia
15	Dec/2020- April/2021	Environmental and Social Due Diligence for mining project	IRIS Consulting Pty, Singapore
14	Feb/2020 - ongoing	Chemical regulation intelligence of Mongolia	ENHESA NV, Brussels, Belgium
13	Aug/2018- Mar 2020	Environmental outsourcing service for Darkhan wastewater treatment plan project	Pfeiffer-Emit JV, Asian development bank
12	Aug/2018- Mar 2020	Environmental monitoring service for Darkhan wastewater treatment plan project	Pfeiffer-Emit JV, Asian development bank
11	Dec/2018- Dec/2018	To develop Environmental Management plan for First stage of road and heating network construction of Bayankhoshuu Sub-center according to Ulaanbaatar Urban services and Ger Areas development Investment Program project's requirement	Ludwing Pfeiffer and Pfeiffer Leipzig, Asian development bank
10	Dec/2018- Dec/2018	To develop Environmental Management plan for Second stage of road and heating network construction of Bayankhoshuu Sub-center according to Ulaanbaatar Urban services and Ger Areas development Investment Program project's requirement	Yangcheng Xingguo Construction Engineering Co.,Ltd, Asian development bank
9	Jun/2017- 12/2019	Cumulative Impact Assessment of Tavantolgoi coal mine region	World Bank, Mining Infrastructure Investment Support (MINIS) Project , Ministry of Mining and Heavy industry
8	Jun/2017- 12/2019	Cumulative Impact Assessment of Baganuur coal mine region	World Bank, Mining Infrastructure Investment Support (MINIS) Project , Ministry of Mining and Heavy industry
7	Mar/2016 – 12/2019	Regional Environmental Impact Assessment, Detailed Environmental and Social Impact Assessment on Coal to SNG plant	World Bank, Mining Infrastructure Investment Support (MINIS) Project , Ministry of Mining and Heavy industry
6	05/2016- 12/1/2016	Development of a due to illegal mines using advanced technologies spatial database and assessment of disturbed lands	Buck Kingman Initiatives, University of California, Berkeley, Ministry of Environment and Tourism of Mongolia

5	03/2016- 12/2016	Biodiversity and Adaptation to Climate Change	KfW Development bank, Ministry of Environment and Tourism of Mongolia
4	Nov/2014- 2016	Environmental baseline assessment on the Bitumin plant	Bitumina central Asia LLC
3	Mar/2015 - May/2015	Development of environmental monitoring plan for 72 School-Kindergarten Complex sites in compliance with National and ADB standards and regulations	Asian Development Bank
2	Mar/2015 - Apr/2015	Bankable environmental preliminary baseline study for 72 School-Kindergarten Complex sites in compliance with National and ADB standards and regulations	Asian Development Bank
1	Oct/2014 - Feb/2015	Environmental Baseline assessment of the Tuul River Basin funded by Project TT8560-MOH: Tuul river improvement project (47179-003)	SMEC LLC, Asian development bank

No	DURATION	PROJECT NAME	NAME OF CLIENT & COUNTRY OF ASSIGNMENT
<b>PROJECTS ON WASTE MANAGEMENT</b>			
13	Sep/2019	Environmental baseline study, Detailed environmental impact assessment for Waste to Energy Plant	Naanovo Green Energy Mongolia LLC
12	Sep/2019	Environmental baseline study, Detailed environmental impact assessment for Scrap Copper and Aluminum Recycling Plant	Recycle product Mongolia LLC
11	Nov/2018- Mar/2019	To update and develop of National Waste Management Improvement Program and Action Plan	The Asia Foundation, Ministry of Environment and Tourism, UN Environment, International Environmental Technology Center
10	Nov/2018- Mar/2019	To develop a draft law to introduce economic instruments for improving solid waste management in Mongolia	The Asia Foundation, Ministry of Environment and Tourism, UN Environment, International Environmental Technology Center
9	Oct/2018	Environmental baseline study and Detailed Environmental Impact Assessment on glass recycling and glass, glass product manufacturing project	Erdes plasm LLC
8	Sep/2018- Sep/2019	Conduct a study/analysis of the composition and the quantity of solid waste in selected urban sites	The Asia Foundation, Ulaanbaatar City Mayor's office, UN Environment, International Environmental Technology Center
7	May/2018- Jul/2018	Preliminary assessment on "economic instruments for waste management"	The Asia Foundation, Ministry of Environment and Tourism, UN Environment, International Environmental Technology Center
6	Feb/2018- Dec/2018	To develop a methodology and a detailed plan for a study to determine the composition and quantity of solid waste	The Asia Foundation, Ministry of Environment and Tourism, UN Environment, International Environmental Technology Center
5	Apr/2018 - Dec/2018	Develop regular waste handling procedures in line with the requirement of the Waste Law 2017 Developed waste procedures are: <ul style="list-style-type: none"> <li>• a list of hazardous waste prohibited or limited for import to Mongolia</li> </ul>	Ministry of Environment and Tourism of Mongolia

		<ul style="list-style-type: none"> <li>• a regulation on establishment of a national database on waste and input of information</li> <li>• template for registering legal entities and organizations engaging in collection, sorting, transportation, recycling, regeneration, disposal and landfill of regular waste</li> <li>• template for reporting on collection, sorting, transportation, recycling, regeneration, incineration and landfill of regular waste</li> <li>• methodological guidelines for establishment and operations of waste disposal sites</li> <li>• composition of and charter for the Waste Experts' Committee</li> <li>• general requirements for operations related to collection, sorting, transportation, recycling, regeneration, disposal and landfill of regular waste</li> </ul>	
4	Oct/2017- May/2018	Assessment of the impacts of common and traditional open burning practices	United Nations Industrial Development Organization
3	Oct/2017 - Jul/2018	Development of National and Ulaanbaatar city waste management strategy and action plan	United Nations Environment Programme, Asian Institute of Technology Regional Resource Centre for Asia and the Pacific
2	Jul/2016 – Jun/2017	Comprehensive assessment of the impacts of common and traditional open burning practices in Mongolia in terms of releases of U-POPs, GHG emissions, and other contaminants, and the effects and benefits of BAT/BEP application	United Nations Industrial Development Organization
1	2015	Environmental Baseline study and Detailed Environmental Impact Assessment on the fusion and babbitt metal recycling facility	Naran Tumur LLC, Altanbulag, Mongolia

No	DURATION	PROJECT NAME	NAME OF CLIENT & COUNTRY OF ASSIGNMENT
<b>NATIONAL PROJECTS</b>			
<b>(Environmental and social impact assessment; and monitoring studies)</b>			
124	Feb/2023-ongoing	Oyu Tolgoi Railway project – Environmental and Social Baseline Study	Oyu Tolgoi LLC
123	Jan/2023-ongoing	Oyu Tolgoi Mine Closure Plan	Oyu Tolgoi LLC
122	Nov/2022-ongoing	Detailed environmental impact assessment of the Gold-processing Plants	PlanetGOLD project
121	Dec/2022-ongoing	Baseline Environmental Assessment and Environmental Management Plan	Transwest Mongolia LLC
120	Aug/2022-Dec/2022	Amendment of the Detailed environmental impact assessment of the Printing Factory	Ulaanbaatar Print LLC
119	Sep/2022-ongoing	2MW wind and Solar power farm project in Khanbogd, Umnugobi	Tsagaan Delgerekh Urguu LLC
118	Jul/2022-ongoing	Asset Retirement Obligation (ARO) estimation of the Nariin Sukhait Coal Mining project	MAK LLC
117	Apr/2022-ongoing	Detailed environmental impact assessment of the OT UG mine Subsidence Zone	Oyu Tolgoi LLC

115	Nov/2021-Jun/2022	Detailed environmental impact assessment of the container terminal area in Shiveekhuren border port	SouthGobi Sands LLC
114	Nov/2021-Dec/2022	Amendment of the Detailed environmental impact assessment of the Tsagaan tsakhirt gold mine	Naran mandal enterprise LLC
113	Jul/2021-Dec/2022	Amendment of the Detailed environmental impact assessment of the 50MW Tsetsii wind farm project	Clean Energy Asia LLC, Tsogttsetsii soum, Umnugobi aimag
112	Apr/2021-ongoing	Detailed environmental impact assessment of the Dornod MAK Coal Mining project	MAK LLC
111	Apr/2021-ongoing	Detailed environmental impact assessment of the Khuren Tolgoi Coal Mining project	MAK LLC
110	Apr/2021-ongoing	Detailed environmental impact assessment of the Nariin Sukhait Coal Mining project	MAK LLC
109	May/2021-Feb/2023	Detailed environmental impact assessment of the Oyu Tolgoi Copper/Gold Mining and Processing project	Oyu Tolgoi LLC
108	Jan/2021-Ongoing	Detailed environmental impact assessment of the Dugat riverbed diversion project	Oyu Tolgoi LLC
107	Aug/2020-June/2021	Detailed environmental impact assessment of the Heavy equipment maintenance workshop and 220/110 kV Substation	TTJVCO LLC
106	Dec/2020-Dec/2020	Environmental Contamination and Damage Assessment	Bayan Airag Exploration LLC
105	Aug/2020-Nov/2020	Flood Risk Assessment	Aquo Steppe Energy LLC
104	Aug/2020-Oct/2020	Environmental monitoring of the Tsagaan tsakhirt gold mine	Naran mandal enterprise LLC

103	Oct/2020- Apr/2021	Amendment of the Detailed environmental impact assessment of the ore export road between Oyu Tolgoi and China border	Oyu Tolgoi LLC
102	Aug/2020- Dec/2022	Detailed environmental impact assessment of the quarry of common mineral for Oyu Tolgoi project development	Oyu Tolgoi LLC
101	Apr/2020- Feb/2023	Amendment of the Detailed environmental impact assessment on the Gunii Khooloi water resource	Oyu Tolgoi LLC
100	Feb/2020- Ongoing	Asset retirement obligation (ARO) estimation	Oyu Tolgoi LLC
99	Apr/2020- 2021	Amendment of the Detailed environmental impact assessment on the "Tsagaan Tolgoi" silicon mine	Megatech Manufacturing Mongolia LLC, a subsidiary of Megatech corporation, Japan
98	Mar/2020- Ongoing	Environmental monitoring service for 50MW Tsetsii wind farm project	Clean Energy Asia LLC, Tsogttsetsii soum, Umnugobi aimag
97	Mar/2020- 2020	Bankable Environmental Impact Assessment for 20MW Solar Power Station	Solaris Solutions LLC, a subsidiary of Akuo Energy SAS, France
96	Feb/2020- 2021	Environmental baseline study, Detailed environmental impact assessment for Sharyn gol coal mine	Sharyn gol JSC
95	Mar/2019- May/2020	Biodiversity offset programme development for Nariin Sukhait coal mine	Quinhai MAK LLC Gurvantes, Umnugobi aimag
94	Dec/2017- 2018	Environmental baseline study, Detailed environmental impact assessment for "Khukh togloi" fluoride mine in Matad soum, Dornod aimag	SPEC LLC
93	Aug/2018- Apr/2020	Environmental baseline study, Detailed environmental impact assessment and Offset management plan of Tsagaan tsakhirt gold mine	Naran mandal enterprise LLC
92	May/2019	Environmental baseline study, Detailed environmental impact assessment for Glass Processing Plant	Badjo LLC
91	Jan/2019- Dec/2019	Air quality monitoring service	Erdenes-Tavan Tolgoi JCS
90	Jun/2018- Jan/2019	Environmental baseline study, Detailed environmental impact assessment for "Shar had" gold mine in Ulaanchuluut palce, Dornogobi aimag	Mandgobi LLC
89	Oct/2018- Dec/2018	Environmental baseline study for Maidar city project	Maidar city LLC, Tuv aimag
88	Aug/2018- Aug/2019	Environmental offset study and consulting service for year 2018-2019	Draper Capital Mongolia LLC, Bayan-Ovoo soum, Bayankhongor aimag
87	Jul/2018- Aug/2018	Environmental monitoring service for gold mine project in Bayankhongor province	Draper Capital Mongolia LLC, Bayan-Ovoo soum, Bayankhongor aimag

86	Aug/2018- Dec/2018	Environmental baseline study, Detailed environmental impact assessment on Khuren uul coal mine	Taliin ilch LLC, Bayandelger soum, Sukhbaatar aimag
85	Nov/2018- Dec/2018	Environmental management report 2018 and environmental management plan for 2019 on the 167 km road from Tosontsengel soum to songino soum in Zavkhan aimag	Mongol LZ Zam guur, Tosontsengel soum to songino soum in Zavkhan aimag, Mongolia
84	Jul/2018- Dec/2018	Environmental monitoring service for 50MW Tsetsii wind farm project	Clean Energy Asia LLC, Tsogettsetsii soum, Umnugobi aimag
83	May/2018- 2019	Environmental baseline study, Detailed environmental impact assessment, Environmental management report for Yarmag bridge project in Ulaanbaatar city	China railway 20 bureau group corporation
82	May/2018- Nov/2018	Environmental baseline study, Detailed environmental impact assessment, Environmental management report for "Zamiin tsagdaa" bridge project in Ulaanbaatar city	China railway 20 bureau group corporation
81	Apr/2018- Apr/2018	2018 Environmental management report for Khatsavch Sand-Gravel mine	Uujim Od LLC
80	Apr/2018- Apr/2018	2018 Environmental management report for Khudertiin river Sand-gravel mine	Uujim Od LLC
79	Apr/2018- Apr/2018	2018 Environmental management report for Dersen-us gravel mine	Uujim Od LLC
78	Apr/2018- ongoing	Amendment of environmental impact assessment on Solar PV project in Gobi-Altai aimag	Loop Inc, Gobi-Altai aimag
77	Apr/2018- ongoing	Environmental baseline study, Detailed environmental impact assessment on Gardening project in Terelj National protected area	Ilt Khan LLC Erdene soum, Tuv aimag
76	Jan/2018 - ongoing	Environmental baseline study, Detailed environmental impact assessment on Bagakhangai solar PV project	Aquo Blue sky Energy LLC Bagakhangai district, Ulaanbaatar city
75	Dec/2017- Dec/2018	Environmental baseline study, Detailed environmental impact assessment Environmental management report for Zamiin tsagdaa bridge project in Ulaanbaatar city	China railway 20 bureau group corporation
74	Mar/2018- Dec/2018	To develop biodiversity offset plan for Javkhlant ord coal mine	Javkhlant ord LLC Gurvantes, Umnugobi aimag
73	Jun/2016- Dec/2018	Environmental baseline study, Detailed environmental impact assessment on Selbe summer capm	Russian school LLC
72	Dec/2017- Jun/2018	Environmental baseline study, Detailed environmental impact assessment on 7.5Mwh Diesel Power Station	SPEC LLC Matad soum, Dornod aimag
71	Dec/2017- Jun/2018	Environmental baseline study, Detailed environmental impact assessment on the Khuut-3 coal mine in Bayanjargalan soum, Dornod aimag	Khuuchin anduud LLC
70	Feb/2018- Apr/2018	Environmental baseline study, Detailed environmental impact assessment on Rubber product plant	National Mining machinery LLC,

			Nalaikh district, Ulaanbaatar city
69	Sep/2017- Jun/2018	Environmental baseline study, Detailed environmental impact assessment on the "Tsagaan Tolgoi" silicon mine	Megatech Manufacturing Mongolia LLC
68	Dec/2017- Mar/2018	Environmental baseline study, Detailed environmental impact assessment on Explosive Material storage	Erkhet tunsh LLC
67	2017	Environmental baseline study, Detailed environmental impact assessment on Tevshiin gobi coal mine	Tevshiin gobi LLC Saintsagaan soum, Dundgobi aimag
66	2017	Environmental baseline study, Detailed environmental impact assessment on Tsakhir gold mine	Mongolian mining and exploration LLC, Otgon soum, Zavkhan aimag
65	2017	Environmental baseline study, Detailed environmental impact assessment and Offset management plan of Tsagaan tsakhirt gold mine	Special mines LLC Bayan-Ovoo soum, Bayankhongor aimag
64	2017	Environmental baseline study, Detailed environmental impact assessment of Coal slag washing plant	Mongolian coal mining LLC, Tsogttsetsii soum, Umnugobi aimag
63	2017	Environmental baseline study, Detailed environmental impact assessment of Chemical storage facility	ABM Chemical LLC, Ulaanbaatar
62	2017	Environmental baseline study, Detailed environmental impact assessment of Zostiin sair, Nachingiin sair gold mine	AGM mining LLC, Gurvantes soum, Umnugobi aimag
61	2017	Environmental baseline study, Environmental management plan for Fuel station and autocamp	Takhidag khairhan
60	2017	Environmental baseline study, Detailed environmental impact assessment of Blasting material industry and storage facility	Blast manufacturing group LLC, Tsogttsetsii soum, Umnugobi aimag
59	01/2017- 2018	Environmental baseline study, Detailed environmental impact assessment of Bitum addendum and it storage facility	Sika Mongolia LLC, Ulaanbaatar
58	11/2016- 03/2017	Environmental baseline assessment of iron ore exploration	Redgranat LLC, Buregkhangai soum, Bulgan aimag
57	2017	Detailed environmental impact assessment of Ikh Noyon gold mine	Monzol LLC, Khongor soum, Darkhan- Uul aimag
56	2016	Environmental Impact Assessment and Chemical Risk Assessment for Global Acetylene LLC	Global Acetylene LLC , Ulaanbaatar
55	2016	Environmental Baseline study and Detailed Environmental Impact Assessment for Coal to Synthetic natural gas plant in Tevshiin Gobi coal mine site in Dundgobi aimag	Grand Power Management LLC, Dundgobi aimag
